

Iraq and Afghanistan. Even after developing lymphoma, he never gave up his post.

Christopher was highly decorated for his valiant service and returned to the Walker County Sheriff's Office to work alongside his family.

In November 2020, Corporal Dye encountered fentanyl on a drug arrest. This exposure caused him to suffer a massive heart attack, and he passed away that evening. Corporal Dye was awarded the Walker County Sheriff's Office Employee of the Year award later that year.

He is survived by his wife Kelly Jo and their five children.

Today, I am introducing a resolution honoring Corporal Dye for his selfless sacrifice to the people of Walker County, northwest Georgia, and the Nation.

RECOGNIZING THE LIFE OF GLORIA LANGSTON

(Mr. MORELLE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MORELLE. Mr. Speaker, today I rise to recognize the extraordinary and impactful life of Gloria Langston, community advocate, and cofounder of Rochester's first Black-owned radio station, who sadly passed away last week.

Founded in 1974, WDKX was one of the first Black-owned stations in New York State. Their call sign is a tribute to Frederick Douglass, Martin Luther King, Jr., and Malcolm X, demonstrating their commitment to uplifting the Black community.

Together with her husband, Andrew Langston, Gloria established WDKX as a fixture in the Rochester radio space, bringing people together and keeping our community engaged.

My heart goes out to her beloved son, Andre, and the entire Langston family during this difficult time. May you find peace in knowing her legacy will live on through the good works of those she has inspired.

BIDEN ENERGY CRISIS

(Mr. ALLEN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ALLEN. Mr. Speaker, this week, the national average cost for a gallon of gasoline hit an all-time high of \$4.37. At this rate, American families will spend an extra \$2,000 on gasoline this year, on top of already historic inflation.

President Biden has tried to shift the blame on this issue, taking no responsibility for the crisis that he and his administration have created. Let's be clear. This is not transitory inflation. This is not the Putin price hike.

This is what happens when you dismantle American energy independence—a war on fossil fuel. That is what the President has done, and that is why

energy costs started rising long before the Russian invasion ever began.

The solution to rising prices is more domestic production. President Biden would rather cling to his Green New Deal agenda than admit that his policies have failed. America is home to an abundance of energy resources. We have the solutions to this crisis right here under our feet.

What we lack is an administration with political willpower to do what is right. Until that changes, we will continue to suffer the consequences of President Biden's anti-energy agenda.

PILOT TRAINING REQUIREMENTS

(Mr. HIGGINS of New York asked and was given permission to address the House for 1 minute.)

Mr. HIGGINS of New York. Mr. Speaker, the National Transportation Safety Board found that pilot error was a major factor in the 2009 fatal crash of Flight 3407.

In the months following the tragedy, the families of Flight 3407 fought for safety standards and improvements, which were signed into law and have saved lives.

Now an application is before the Federal Aviation Administration to cut the minimum standard for pilot training in half.

We are calling on the Federal Aviation Administration to categorically reject this request and any attempt to circumvent pilot training requirements.

Families in my western New York community will never have their loved ones back, but we can ensure that every family moving forward is stepping onto an airplane with a fully trained pilot.

BIDEN ECONOMIC CRISIS

(Mr. BILIRAKIS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BILIRAKIS. Mr. Speaker, I rise to discuss the economic crisis that is pummeling Florida's families. This week's financial report showed that inflation continues to hammer Americans, growing by 8.3 percent over April of 2021.

When coupled with workforce shortages and supply chain disruptions, the result has been catastrophic for small businesses—every sector of our economy is impacted. I am also gravely concerned that we are spiraling toward a recession, and yet, many of my colleagues seem to think the only answer is to spend more.

Let me be clear, Mr. Speaker, we cannot spend our way out of this crisis. We must stop the reckless spending that is fueling this problem and make tough choices about our priorities, just as each and every one of our constituents are being forced to do.

CONGRATULATING THE UNIVERSITY OF HAWAII MEN'S VOLLEYBALL TEAM

(Mr. KAHELE asked and was given permission to address the House for 1 minute.)

Mr. KAHELE. Mr. Speaker, today, just like I did 1 year ago to this day, I rise with extraordinary pride to congratulate the 2022 NCAA Men's Volleyball National Champions, the University of Hawaii Rainbow Warriors.

This past Saturday our Hawaii Rainbows defended their title on the legendary court of Pauley Pavilion against Long Beach State University.

Emulating their victory in 2021, they proved that lightning can strike twice by sweeping their opponent in a decisive three-set match. Our Warriors displayed acute focus, tenacity, and bold dominance, boasting a 27–5 season record while remaining undefeated at home.

As a proud alumnus and former Rainbow Warrior volleyball player, I, along with the rest of Hawaii, congratulate our back-to-back national champions.

“Thanks very much.” “Mahalo nui loa” to head coach Charlie Wade, the coaching staff, the UH athletics program, the Manoa Aunties, our loyal boosters, and dedicated fans who support our players on and off the court.

To our 2022 NCAA Men's Volleyball Championship Team, “all the best,” “no ka’oi,” and Go ‘Bows!

CONGRATULATING KENTUCKY DERBY WINNER RICH STRIKE

(Mrs. BICE of Oklahoma asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. BICE of Oklahoma. Mr. Speaker, I rise today to honor the 148th Kentucky Derby winner Rich Strike, and Rich Strike's owner, OU grad and Edmond native, Rick Dawson.

Rich Strike made history at the 148th Kentucky Derby overcoming 80–1 odds. This monumental victory is even more impressive as Rich Strike was not supposed to be in the Kentucky Derby, entering only after another horse was scratched. Rich Strike was added a mere 34 hours before the race was set to begin.

Congratulations to Rich Strike and Rick Dawson for bringing the Kentucky Derby to Oklahoma's Fifth Congressional District.

BUILDING A BETTER AMERICA

(Ms. BROWN of Ohio asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. BROWN of Ohio. Mr. Speaker, last week we marked Teacher Appreciation Week. This week, and every week, we say thank you to educators who help our students learn and grow.
